ABOUT LABTECH INNOVATIONS™

DREAM IT, BELIEVE IT, ACHIEVE IT, WE WILL LEAD TOWARDS INNOVATION

Labtech Innovations provide educational research consultancy services. It is a venture of Labtech Innovation Educational Research and Welfare Foundation. Labtech Innovations is one of India's foremost and fast-growing professional associations for research, publication and conferences.

Its main aim is to bring a rapid technical revolution and sustainable development in educational research and research consultancy services. Labtech Innovations believe in the philosophy of perfection in their service that satisfies the client's expectation and needs through the expertise of our professionals in every domain.

LABTECH INNOVATIONS PRESENTS LABTECH EVENTS

Labtech Innovations specialize in organizing events and conferences that elevate the knowledge of attendees, spark inspiration, and connect them with like-minded individuals.

Our commitment to your growth is evident in the meticulously curated schedule we have created on our portal. The insights shared by research scholars at the conference will serve as a foundation for the attendees' research aspirations.

ABOUT CONFERENCE

We at Labtech Innovations are extremely happy to organize an International Conference on “International Conference on Intelligent Systems & Applications in Engineering” on 1st - 2nd Dec 2024 at Pune, India.

The conference provides a standard forum for research scholars, delegates, professors, and students. It is an excellent platform to showcase their innovative ideas, research findings. This conference provides an opportunity to interact and share the experiences of experts' knowledge.

SCOPE OF THE CONFERENCE

The International Conference on Intelligent Systems & Applications in Engineering (ICISAE – 24) focuses on a wide range of topics within the field of intelligent systems. The conference aims to bring together researchers, practitioners, and experts to discuss the latest innovations and trends in intelligent systems and their applications.

OBJECTIVE OF THE CONFERENCE

The objective of the International Conference on Intelligent Systems & Applications in Engineering (ICISAE – 24) is to provide a comprehensive forum for researchers, engineers, and practitioners from around the world to present their latest research findings, innovations, and developments in the field of intelligent systems and their applications.

CALL FOR PAPERS

SESSIONS AND TRACKS

The purpose of this upcoming Communication Network and Information Security Research conference is to let young and experienced researchers wICISAE - 24 calls for abstract and full paper submissions relevant to the following topics (but not limited to).

INTELLIGENT DATA ANALYTICS AND TECHNOLOGIES

- Data visualization and Data pre-processing
- Data Engineering and database mining techniques

INTELLIGENT COMPUTING

- Intelligent Human-Machine Interaction
- Intelligent Hybrid Systems
- Intelligent Behaviour and Intelligent Control

INTELLIGENT COMMUNICATION

- Intelligent wireless sensor networks
- Intelligent satellite communications
- Intelligent radar signal processing
- Communication network structure

INTELLIGENT SECURITY MECHANISM AND POLICIES

- Intelligent Data security and Data privacy
- Intelligent Communication protocol Security

ROBOTICS AND EMBEDDED SYSTEMS TECHNOLOGIES

- Intelligent processes and Industrial automation
- Intelligent automation
- Embedded system reliability

KEYNOTE SPEAKERS

Dr Subhransu Sekhar Dash

GCE, Keonjhar, India

Dr. Pradeep Kumar Mallick

KIIT University, India

Mrs. Pooja Kumar

Founder & Director: Innove Intellects LLP

ICISAE

PROCEEDINGS & PUBLICATIONS

All the papers/Abstract will be included in the conference proceedings with ISBN

Proceeding/ Book Series "Research Notes on Computing and Communication Sciences"

Taylor and Francis Group: CRC Press (AAP imprint)- Scopus Indexed*

The proceeding books consists a selected papers from conference, and will be submitted to the Web of Science and to Scopus for evaluation and possible indexing.

We are home to the publishing of all well-known indexes.

Great opportunity to publish your papers in reputed Peer Reviewed indexed Journals.

INDEXING DATABASE

Indexed supporting journals of ICISAE-2024 published by renowned publishers will provide with the opportunity to publish full papers following the peer review process. Authors are encouraged to read scope and choose the best fitting journal from [Journal List](#).

COLLABORATE WITH US

Be an Academic Partner or Co-Host

Join us as an Academic Partner and Co-Host for our upcoming events and conferences. Collaborate with Labtech Innovations to enhance your institution's visibility, contribute to cutting-edge research, and connect with a network of scholars and industry experts. Together, we can create impactful experiences that drive academic and professional growth.

Be a Committee Member

Become a Committee Member and play a pivotal role in shaping our events and conferences. By joining our committee, you'll have the opportunity to collaborate with industry leaders, influence program content, and contribute to the success of our academic initiatives. Your expertise and insights will help us create meaningful and impactful experiences for all attendees.

Be a Volunteer

Make a difference by volunteering with us! As a volunteer, you'll gain valuable experience, expand your network, and contribute to the success of our events and conferences. Your dedication and support are essential in creating memorable and impactful experiences for all attendees. Join us and be a part of something extraordinary!

PARTNERS

BECOME A SPONSORS

Join us in creating exceptional events and conferences that make a difference. As a sponsor or exhibitor, you will have the unique opportunity to showcase your brand, products, and services to a highly engaged and targeted audience. Partnering with us means enhanced visibility, networking with industry leaders, and contributing to the success of impactful events. Let's collaborate to elevate your presence and achieve mutual growth.

We respect our sponsors by offering them exclusive exhibitor booths at the venue of conferences and events, so that they are able to reach their target audiences.

OUR SPONSORS & PARTNERS

AWARDS CERTIFICATES

All the winners will be given their awards during the award ceremony, which will be held on the last day of the conference at its conclusion.

AWARD CATEGORIES

The Overall Best Presentation Award

Session's Best Presentation Awards

The Best Student Presentation Award

The Best Poster Presentation Award

VENUE

Hyderabad, the capital city of Telangana state in southern India, is known for its rich history, cultural heritage, and vibrant modernity. It serves as a major center for technology, education, and commerce, making it one of India's most dynamic cities.

HOW TO REACH

HYDERABAD

BY ROAD

Bus: Numerous state-run and private buses operate to Hyderabad from nearby cities and states. **Personal Vehicle:** If driving, Hyderabad is accessible via well-maintained national highways.

BY TRAIN

Railway Stations: Hyderabad is well-connected by rail to major cities across India. **From Station:** After arriving at Hyderabad's railway stations (e.g., Secunderabad Junction or Hyderabad Deccan Station), use local transportation options such as taxis, buses, or auto-rickshaws..

BY AIR

Flight: Book a flight to Rajiv Gandhi International Airport (HYD), Hyderabad's main airport. **From Airport:** Upon arrival, taxis, app-based rides, and rental cars are available for transport to your destination in Hyderabad
